Dialogue #4

"My Favorite Things"

Tamar

Maya, what's your favorite thing you own?

That's hard!

I love my bicycle, my camera, and my personal diary. They all feel so special.

Maya

Tamar

Nice! I have an old watch from my grandmother and a collection of jewelry. They're small, but very special to me.

Do you ever want to buy something new?

Maya

Tamar

Yes, I want a musical instrument, but I'm not sure I can afford it yet.

Maybe we can go to the department store this Thursday and look.

Maya

Tamar

Good idea! I'll bring my wallet, just in case I find something I like.

Great! And I'll bring my camera so we can take fun photos while we shop.
