About Myself and My Family

Dialogue #2

Daniel

Hi Eitan!
Can you tell me about your family?

Eitan

Sure, Daniel. I have a big family with many relatives. We are very close to each other.

Daniel

That's nice!
Do you have any siblings?

Eitan

Yes, I have two brothers and one sister. We all have something in common – we love reading books.

Daniel

Wow! That sounds fun.
In my family, we teach children to respect and honor our parents and grandparents.

Eitan

My family is the same.
We think it's a responsibility to take care of our parents. It's very important in every generation.

Daniel

I agree. I have a special memory of my grandfather teaching me about family values.

Eitan

That's beautiful, Daniel.
I think good communication in the family helps us understand each other better.

Daniel

Yes, and being supportive is also important.
I only hope that when I have my own family, we will have a strong relationship too.

Eitan

I'm sure you will, Daniel. Families grow stronger when they care about values and respect each other.
